Important information about your Health Net Life Insurance Company (Health Net) plan

Thank you for choosing Health Net. As part of our commitment to our members, we want to ensure that you receive timely and relevant information regarding your Health Net (Cardinal Care) plan. The following information is important; please read it carefully.

The Affordable Care Act (ACA) requires that your Health Net plan include benefits for pediatric dental and vision. These benefits are available if you are a student enrolled in the Cardinal Care plan and are under 19 years of age. If you are 19 or older, you are not eligible for pediatric dental and vision benefits through this plan. We’ve enclosed a flyer which explains the pediatric dental and vision benefits available under the Cardinal Care plan.

You may have recently received a pediatric dental ID card in the mail (see sample below). If you are eligible for pediatric dental benefits (that is, you are under age 19 and enrolled in the Cardinal Care plan), be sure to show your pediatric dental ID card each time you receive pediatric dental services.

Note: If you received a pediatric dental ID card and you are 19 years or older, please disregard the card. You are not eligible for pediatric dental benefits.

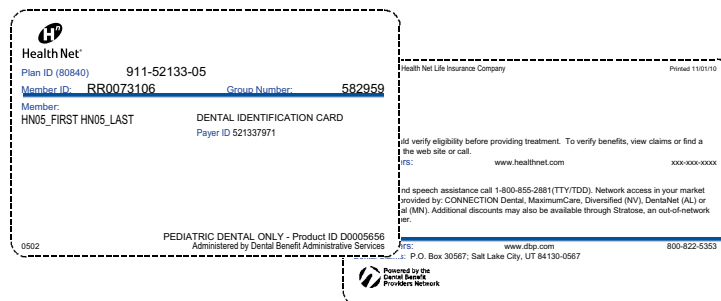

We’d also like to let you know that pediatric dental benefits under your medical plan are separate from the adult dental benefits you will receive through Delta Dental if you choose to remain enrolled in the Cardinal Care plan for the academic year, beginning September 1, 2020. Dental benefits through Delta Dental are available to all students enrolled in the Cardinal Care plan regardless of their age.

Finally, please note that if you have enrolled your dependents in the Dependent Care Plan, they are eligible for the pediatric dental and vision benefits from birth through the end of the month in which the covered person turns 19 years of age.

Please call the Health Net Customer Contact Center at 1-800-250-5226 if you have any questions.

Sincerely,

Health Net
